Boss Bart

once all other bad guys are killed, only Boss Bart is left

1) Rework High-Noon-Bad-Guy3-01 - High-Noon-Bad-Guy3-12 so he looks a bit more like boss Bart (i.e. needs a mustache)

2) Zoom up to him, to the spot at which he is standing on the screen, from this

corner

to something where he is closer-up, like this:

← corner
